CIAT

The Nippon Foundation

The International Center for Tropical Agriculture (CIAT, its Spanish acronym) is a nonprofit, nongovernment organization that conducts socially and environmentally progressive research aimed at reducing hunger and poverty and preserving natural resources in developing countries.

CIAT is one of 16 international agricultural research centers, known as the Future Harvest centers, sponsored by the Consultative Group on International Agricultural Research (CGIAR).

The Center's core budget is financed by 36 donor countries, international and regional development organizations, and private foundations. In 1999, the donor countries include Australia, Belgium, Brazil, Canada, Colombia, Denmark, France, Germany, Italy, Japan, Mexico, the Netherlands, New Zealand, Norway, Peru, South Africa, Spain, Sweden, Switzerland, Thailand, the United Kingdom, the United States of America, and Venezuela. Donor organizations include the Asian Development Bank, the European Union (EU), the Food and Agriculture Organization (FAO) of the United Nations, the Ford Foundation, the Inter-American Development Bank (IDB), the International Development Research Center (IDRC), the International Fund for Agricultural Development (IFAD), the Kellogg Foundation, the Nippon Foundation, the Rockefeller Foundation, the United Nations Environment Programme (UNEP), the World Bank and the World Resources Institute.

Information and conclusions reported in this document do not necessarily reflect the position of any donor agency.
