Agenda

- Highlights on recent reviews of the LKPLS
- TFLs reports
- IP updates
- End-line surveys and impact assessment
- Projected workplans
- Plans for publications
- Writeshop
- AOB
Meeting Program

Program composed of:

1. Five sessions *viz a viz*:
   - Session 1 – Introductory reflections & introductions (2 hrs max.)
   - Session 2 – Reports from TFLs (1½ hrs max.)
   - Session 3 – Review of IPs’ progress (6½ hrs max.)
   - Session 4 – Workplans & budgets for (2011-2012) [1½ dys max.]
   - Session 5 – Plans for publications (4 hrs max.)
   - Session 6 – Writeshop (2 dys max.)

2. The program runs from 0830 to 1800 hrs for five days:
   - Monday to Friday
Meeting Objectives

Are to:

- Consider highlights / updates on the ended reviews (internal & external)
- Receive reports from TFLs on progress in implementation of the program
- Get review of IP updates, progress and discuss any emerging issues
- Refine and finalise projected work plans and budgets for the year 2011-2012
Objectives ...

- Develop an implementable action plan for publications on lessons learnt and dissemination of key outputs
- Review progress on end-line surveys (HH & trader) and impact assessment
- Hold a writeshop and come up with major publications.
Meeting Expectations

- Reviewers’ updates and comments highlighted
- Progress to date summarized and documented
- IP updates discussed and documented
- Projected workplans and budgets, in light of reviewers’ comments, refined, finalized and submitted to FARA immediately thereafter
- Action plan for publications (technical reports, papers and book chapters), with assigned responsibilities and timelines set out and committed
- Draft papers and book chapters completed and submitted appropriately.
Thank You
