

CGIAR System Priorities 2005 – 2015

Priority area 1: Sustaining biodiversity for current and future generations.

1

- Priority 1A: Promoting conservation and characterization of staple crops
- Priority 1B: Promoting conservation and characterization of underutilised plant genetic resources
- Priority 1C: Promoting conservation of indigenous livestock
- Priority 1D: Promoting conservation of aquatic animal genetic resources

Priority area 2: Producing more and better food at lower cost through genetic improvements.

2

- Priority 2A: Maintaining and enhancing yields and yield potential of food staples
- Priority 2B: Improving tolerance to selected abiotic stresses
- Priority 2C: Enhancing nutritional quality and safety
- Priority 2D: Genetically enhancing selected high-value species

Priority area 3: Reducing rural poverty through agricultural diversification and emerging opportunities for high-value commodities and products.

3

- Priority 3A: Increasing income from fruit and vegetables
- Priority 3B: Increasing income from livestock
- Priority 3C: Enhancing income through increased productivity of fisheries and aquaculture
- Priority 3D: Promoting sustainable income generation from forests and trees

Priority area 4: Promoting poverty alleviation and sustainable management of water, land, and forest resources.

4

- Priority 4A: Promoting integrated land, water and forest management at landscape level
- Priority 4B: Sustaining and managing aquatic ecosystem for food and livelihoods
- Priority 4C: Improving water productivity
- Priority 4D: Promoting sustainable agro-ecological intensification in low-and high-potential areas

Priority area 5: Improving policies and facilitating institutional innovation to support sustainable reduction of poverty and hunger

5

- Priority 5A: Improving science and technology policies and institutions
- Priority 5B: Making international and domestic markets work for the poor
- Priority 5C: Improving rural institutions and their governance
- Priority 5D: Improving research and development options to reduce rural poverty and vulnerability
